

National University of Water
and Environmental
Engineering

Prof. Viktor Moshynskiy
Rector of National University
of Water and Environmental
Engineering

Address: 11 Soborna str., 33028
Rivne, Ukraine
Tel./fax: +38 (0362) 633445
Web-page: www.nuwm.edu.ua

Founded in 1915, NUWEE is established as one of leading research universities of Ukraine.

Accreditation level and status: state higher educational institution, accreditation level – 4 (the highest), accreditation certificate РД-IV from 15.12.2014, license of the Ministry of Education and Science of Ukraine AE № 636444 from 04.06.2015.

National University of Water and Environmental Engineering (NUWEE) is one of the best technical Universities of Ukraine. For more than 100 years our University creates thriving environment for students and researchers, and provides professional engineering expertise and services to the Government and private companies.

Today University is one of the prominent modern educational establishments of Ukraine that became Alma mater for more than 65,000 domestic and international alumni. Our advances in water management engineering, latest information technologies, economics and business made the National University a truly unique place for students to excel in technical disciplines as well as in business.

The University is the largest higher educational establishment in Rivne region, it consists of 8 Institutes, 5 training and consulting centres and 5 colleges. The eight Institutes of the University are guided by 378 Philosophy Doctors, 128 Habilitated Doctors - Professors, 45 Academics of the Academy of Sciences of Ukraine.

The University offers full-time and part-time studies, distance learning studies both to Ukrainian and foreign students according to the license: 40 bachelor degree programs and 47 master degree programs. NUWEE also offers 22 doctoral and postdoctoral degree programs.

Degree programmes:

- Bachelor (BA). Period of study: 4 years;
- Master's (MA). Period of study 1, 5 – 2 years;

The University has extensive international relations with high-education institutions and international organizations of Poland, Germany, France, the USA, Georgia, the Republic of Azerbaijan, Turkmenistan, and many other countries all over the world.
